To all Tutors and Tutors-in-Training

## Griffiths III Tutor Recertification 2024

When the Griffiths III was launched in 2016, ARICD had agreed that Tutors would be re-certified every 3 years. During the pandemic, this process was paused but has now been reactivated. The eLearning courses have undergone significant changes over this period and the latest versions were launched in September 2023. ARICD have updated the process both for becoming a Tutor and for recertification. Various forms were also updated or added.

The new process was discussed at the last virtual Tutor International Meeting in November 2023. If you were unable to attend this meeting, the recording of the meeting is in the Tutor section of the ARICD website in the Tutors Menu > Tutor Meetings-Recording and Documents. The new Tutor Pathway on the process of becoming a new Tutor is found in both the Registered User and Member Menus.

The updated documents for tutors are in the Tutor Menu > Tutor Resources > Tutor Pack.

In summary, to be approved as a Tutor and to continue tutoring from 2024, you must meet the following criteria before 30 June 2024:

- Be a member of ARICD (Membership rates are £25/year or £100/5 years)
- Complete the on-line Video Training Course 2023
- Complete the on-line Tutor Module 2023
- Intention to Tutor a course within 3 years

a) If you were issued a Griffiths III Tutor Certificate before 2023, you will be re-certified if you meet these criteria.

b) If you were approved as a Tutor in the past, but have not tutored a Griffiths III course, you should co-tutor or assist a Griffiths III course also.

c) If you are in the process becoming a Tutor for the first time, you must also meet the requirements described in the steps to How to Become a Tutor.

If you do not plan to tutor a Griffiths III course in the next 3 years, please inform us by 30 June 2024.

Thank you for all your continued work and support in promoting the use of Griffiths III.
